

# Monitoring Explanation Sheet – Year 10

**The Internally Assessed Grade (IAG)** is the grade achieved in either the recent subject exams or a Current Level of Achievement (CLA) These grades are fine graded and the letter, H, M or L, represents how secure the GCSE grade achieved is, so a 5H represents a very secure Grade 5 whereas a 5L is far less secure.

The fine grade structure is:

Fine Grade (9-1)	Examples	Explanation of Fine Grade
H	9H, 8H, 7H, 2H, 1H etc	At their current rate of progress, your child will secure this grade at the conclusion of the course. With intervention and/or further improvement in their attitude, they have the potential to achieve the grade above.
M	9M, 8M, 7M, 2M, 1M etc	At their current rate of progress, your child should secure this grade at the conclusion of the course.
L	9L, 8L, 7L, 2L, 1L etc	At their current rate of progress, your child is capable of securing this grade at the conclusion of the course. However, without intervention and/or further improvement in their attitude, the result could drop to the grade below.

**The Professional Predicted (PP) Grade** is a professional predication by your child's teacher and is the current 'most likely' grade your child is likely to achieve at the end of their KS4 course if they continue to work and make progress at the current rate.

Level 2 Pass – P2		
Level 1 Distinction – D1		
Level 1 Merit – M1		
Level 1 Pass – P1		

**Non GCSE subjects are fine graded using +, - or = where appropriate in place of the high/low/middle grading used for GCSEs, above.**

The **KS4 Target Grade (KS4 TG)** is the minimum grade your child should be aiming to achieve at the end of their KS4 course (end of Year 11) assuming that they work at all times with enthusiasm, determination and self-reflection.

Target Grades are based on a student's prior attainment at either Key Stage 2 or CATs tests as well as historical information about the performance of students with similar attainment levels across the country. If we do not have either KS2 or CATs data, we will assess each student individually to set motivational targets. Our Targets are set to be aspirational.

*You are encouraged to make contact with a teacher directly if you have any queries or concerns regarding this monitoring. Teachers can be emailed directly, we have a standard email address format: [firstinitialsurname@emmbrook.wokingham.sch.uk](mailto:firstname.lastname@emmbrook.wokingham.sch.uk) for example: Mr D Beckham, becomes [dbeckham@emmbrook.wokingham.sch.uk](mailto:dbeckham@emmbrook.wokingham.sch.uk).*

**Attitude to Learning (ATL)** is the effort your child is making during lessons, with homework and in Tutor Time.
