Dear Parents and Carers,

RE: Sixth Form League Table

Yesterday the Department for Education published the 2018/19 Sixth Form League Table. I am delighted to share with you all that our Sixth Form is ranked as the second best performing within Wokingham Borough.

State School	Progress Score
The Piggott School	+0.18
The Emmbrook School	+0.12
The Bulmershe School	+0.12
Waingels College	+0.08
The Holt School	+0.04
Maiden Erlegh School	+0.03
St. Crispin's School	-0.07
The Forest School	-0.25

The progress score indicates how much progress each student makes on average from the end of Year 11 to the end of Year 13. Higher scores indicate more progress. Our score (+0.12) shows that last year's excellent A-level results demonstrate a strong academic performance.

I am very proud that the efforts of staff and students have been recognised. The work now continues to ensure that we secure even better results with our current Year 13.

Best wishes,

Nick McSweeney
Headteacher
