

24th April 2020

Dear Parents and Carers,

I hope you had a lovely Easter and were able to enjoy some of the sunshine we have been having. I imagine this Easter was very different to previous ones but i hope you were able to enjoy spending time with family either in person or over video call.

The week has seen year 9 complete 1346 assignment questions on maths watch. This is staggering and there is even some individuals who have been going above and beyond to complete extra questions. Miss Andrew's creation station has gone down really well this week. I have seen many entries from year 9 and I hope this continues to grow in volume. As a reminder, the Creation Station tasks are completely optional, if you have any questions about it then please contact Miss Andrews at kandrews@emmbrook.wokingham.sch.uk

Getting back into the routine of remote learning may be challenging. I hope that as we come to the end of the first week back your child has found time to work but more importantly has been able to establish a work life balance. It is important that your child does take time to relax and unwind and I am keen to hear how they are spending their free time.

Spanish lessons for me personally have been going well. I recently sat my first test with Miss Fry and i was rather pleased with myself. I always struggled with languages at school and have found the challenge rather different to most of my previous experiences.

If you have any questions or require any further information, please do not hesitate to contact me at JTichband@emmbrook.wokingham.sch.uk

Best wishes,
James Tichband
Year 9 Leader
