

Dear Parents/Carers

It was once again my pleasure to welcome your child back to school today. I cannot quite believe that today was their 'last first day' of secondary school, the time has simply flown by. I hope every member of Year 11 had a lovely first day back, filled with learning and catching up with friends. Having seen each and every one of them throughout today I have been privileged to have been presented with smart, polite and engaging young people – as was to be expected from my wonderful year group. I am so looking forward to helping guide them through their most important year in education yet, culminating with them taking their GCSEs, of which I am certain they will do us all proud. I am also writing to let you know some key information, below is a list of our tutor team this year, we have had some movement in terms of tutors this year but I will be the first to say that we are lucky to have a wonderful team and should you have any issues surrounding your child's hesitation please do not hesitate to get in contact with either their tutor or myself...
