Sixth Form Year 11 into Year 12 Parent's Information evening

Dear Parents and guardians

Continuing our induction into the sixth form, we are going to conduct a year 11 into 12 parent's information evening. The evening will take place on Wednesday 8th July between 7pm and 8pm and will take place online through Microsoft teams. The link for this meeting is:

The meeting will be an opportunity for you to ask questions about the sixth form life, sixth form studies, the sixth form enrolment process and any general sixth form related questions to a panel of staff. The staff available on the evening will be:

- Mr McSweeney – Headteacher
- Mrs Fyfe – Assistant Headteacher
- Mr Constable – Sixth Form Lead
- Mr Whitehouse – Assistant Headteacher

You will be able to ask your questions in the chat facility on teams and the most appropriate member of staff will then answer your question. Any specific questions about individual students will then be followed up after the meeting.

In preparation for meeting, there will be an introduction video released on the schools YouTube channel and we will be in touch when that video is available for you.

If you have any questions about this event, please contact me.

Stay safe.
