

26 September 2019

Dear Parents or Guardians

Year 13 Geography: NEA trip to Somerset.

As you are aware, as part of the OCR A level course, students are required to complete an independent investigation as part of the NEA unit.

To be able to complete their investigation, students are required to undertake primary fieldwork by taking part in data collection at Nettlecombe study centre. Students will be visiting several sites in the Somerset area as this provides the ideal opportunity for data collection

Pupils will leave at 09.00 in the morning on **Monday 11th November** and will return to school by 16:30 on **Friday 15th November**. Any pupils who use the buses will need to make alternative arrangements.

Below is a list of things that students will need on the day:

- Snacks if required for the minibus, lunch is provided by the study centre upon arrival.
- **Suitable clothing** e.g sensible shoes/trainers for walking, a waterproof jacket in case of bad weather (it will be November).
- Writing equipment and a laptop if possible (the department will provide clip boards).
- A digital camera or device from which photographs can be downloaded is really useful for the data presentation part of the write up – this would be the students own responsibility to look after.

Could you please return the reply slip, medical form, and make the final payment of £165 (either via our on-line payment system or cheques made payable to 'The Emmbrook School') and medical form attached by **Friday 11th October** at the latest.

If you have any questions, please do not hesitate to contact me via e-mail at: Rkisubi@emmbrook.wokingham.sch.uk

Kind Regards,

Mrs R Kisubi
Curriculum Leader for Geography

(Attached: reply slip and pink medical form)

A Level Geography NEA field trip to Somerset

Please complete the information below and return with payment and a completed by Friday 11th October
