**Year 13 Exams – 5<sup>th</sup> January – 12<sup>th</sup> January**

Dear Parents and Carers,

I hope you are all managing to keep safe during the uncertain times we still find ourselves in.

As you are hopefully aware, we have our next round of year 13 exams running from Tuesday 5<sup>th</sup> January until Tuesday 12<sup>th</sup> January. All A-level subjects will be running at least one exam during this period and students will be supplied with their timetables before we finish this term.

As with all year 13 exams, this set of exams will provide use all with an insight into the progress our year 13 students are making this year. Many of our students will have applied to UCAS by this point, and will therefore have a clear understanding of the grades they need to achieve in the summer exam season. The exams we undertake in January will enable us to work with the learners to build effective intervention plans in order to make sure that our learners are able to access any support they need in order to reach their goals.

I would also ask that you encourage your child to work productively towards these exams so that the outcomes are an accurate reflection of the level at which they are currently working.

If you have any questions, please contact either your child's tutor or myself.

Kind regards

Mr Constable

Sixth Form Lead
