Year 12 Assessment Week – 7th December

Dear Parents and Carers,

I hope you are all managing to keep safe during these uncertain times we still find ourselves in.

We have our first round of formal year 12 assessments starting on Monday 7th December. During this week, all subjects in year 12 will be undertaking an assessment during class time. This will be the first set of formal assessments year 12 have undertaken and will provide ourselves with an indication of the level at which the students in year 12 are currently working.

Based on the results from these assessments, curriculum areas will be working to put in place action plans to help support the students in year 12 as they continue on their A-level journey with us.

All students have been made aware of this assessment window, and I would encourage you to discuss this assessment with your child as it will also provide yourselves with an indication of how well the learners have settled into Sixth Form life.

If you have any questions, please contact either your child's tutor or myself.

Kind regards

Mr Constable

Sixth Form Lead
