

Thursday 23rd September 2020

Dear parents/carers,

Throughout this academic year your son/daughter will be taking part in PE lessons in both indoor and outdoor settings. We have always expected students to have indoor and outdoor footwear for PE but we now have to ask that specific footwear be worn for lessons taught on the 3G pitch.

This means that all students will need **trainers** for lessons in the gym, sports hall and tennis/netball courts for the following sports;

-Basketball, Badminton, Netball, Tennis, Fitness, Rounders, Athletics

They will also need suitable footwear known as **plastic/moulded studs or dry pitch studs** for use on the 3G that can also be used on the field for the following sports;

-Rugby, Hockey, Football, La Crosse, Cricket, OAA

Please **do not buy AstroTurf trainers** as they are often the dimpled type that can be seen on the image below that **aren't suitable for our 3G**.

If you have any question or queries please do not hesitate to get in touch.

Yours sincerely

Craig Humber
Curriculum Leader for PE
