Sixth Form Newsletter 08/12/23

Dear Parents and Carers,

We are now approaching the end of a very busy but exciting term.

Coffee Corner

In response to pupil voice, we have purchased a Tassimo coffee machine for the Sixth Form area. The machine will be run on a honesty system, so we are asking students who use the machine to occasionally contribute to the buying of pods (Tassimo) for the machine. To get the 'coffee culture' started, we have supplied 50 coffee pods and 150 disposable cups. We hope the students enjoy the coffee machine!

Christmas market

Next Thursday (14th December), we have our Sixth Form Christmas market under the covered way. Each form group is running one of the stalls. If anyone wants to contribute to the cake sale or chocolate tombola, we would be very grateful.

UCAS

We have nearly sent all of our UCAS applications. We have seen a huge number of offers coming in and have several students being interviewed by Oxford and Cambridge. Excellent progress so far. The next stage is for students to accept their offers and apply for finance. We will be taking students through this process after the holidays.

Year 12 Careers

We have continued to inform our year 12 students of the various career pathways available.

Below is another event from our careers partner – Adviza, flyers are attached with this email:

Unifrog

Continuing the careers theme, I wanted to celebrate the success our year 12 students have had with unifrog. Unifrog is our career platform, and we are currently 6th in the country for usage of unifrog. This shows how determined our year 12s are to make the most of this platform and be as well informed as possible.
