The Emmbrook School – Applications and Websites

As technology continues to play a pivotal role in education, we understand the importance of staying informed about the applications and websites that your children are utilising in their academic journey. This curated list provides you with a glimpse into the digital tools that are commonly used by students at our school. These resources are designed to enhance the learning experience, foster collaboration, and support your child's educational development. The following list is not exhaustive as we may find new resources to support learning.

For Parents:

	Arbor	School information management system
	Satchel:One	Home learning, points, timetable
	Scopay	School payment system

For Students:

	Commonlit (web based)	English language reading practice
	Focus on Sound	Music dictionary with audios, videos and quizzes.
	GCSEPod	Multiple subjects, revision
	Massolit (web based)	English literature revision
	Mathswatch (web based)	Maths practice questions
	Outlook	Student emails and timetables
	Satchel:One	Home learning, points, timetable
	Seneca	Revision (Multiple Subjects)
	Soundtrap (web based)	Digital Audio Workstation (Year 9 upwards)
	Tassomai	Science recall practice quizzes
	Teams	All subjects, class materials and revision
	Tellmi	Child mental health
	Unifrog	Careers advice and university applications
