

Sixth Form Newsletter 19/01/24

Dear Parents and Carers,

Year 12 Exam week

Year 12 exam week is next week. By the end the students will have an indication of where they currently are with their studies. This will provide all students with targets they need to make improvements before the end of year 12 exams in June when we will be firming up our predicted grades for next year.

UCAS

As a reminder for the parents of students in year 13, we have a small number of students still planning to apply and they must do so by 31st January to be given equal consideration with their applications.

Careers

We wanted to share an exciting opportunity coming up at RSSL. We are pleased to be hosting an **Apprentice Open Evening** during **National Apprentice Week 2024**, for prospective students and their parents. There will be a quick introduction presentation from myself about the company, how apprenticeships work and the kind of work they'd be doing, as well as the chance to have a look around a couple of our labs and meet some of our current apprentices. This will be on the evening of **8th**

February, with 2 slots – either 5.30-6.30pm or 6.30-7.30pm.

This event is only applicable to those in Year 13, studying e.g. Chemistry A-Level, BTEC Applied Science/Forensic Science

Please find below the sign-up

ARC

Unfortunately, we had to delay the ARC session due to ill health. We will rearrange this session and inform parents and students of the new date in due course.

Fundraising Week

Fundraising Week this year will be held from 5th February. We are running a 4-day event, in which sixth form will showcase their various talents, and then ending the week with a non-uniform day. The events are lip sync battle, ultimate sixth former, quiz, sixth form market. This year we will be raising money for the charity Beat. Beat is the UK's leading charity supporting those affected by eating

disorders and campaigning on their behalf. Founded in 1989 as the Eating Disorders Association.

Sponsored Walk

Our sponsored walk will be taking place on 15th March. We will be taking up to 25 year 12 students to complete a 10km walk around Dinton Pastures. They will be raising money for the Charity Beat, and we are asking them to aim to raise £20 pounds each. Students who are interested have taken home letters and we need the EV2s returned by 1st March.

David Constable

Sixth Form Lead
