

Sixth Form Newsletter 25/10/24

Dear Parents and Carers,

I hope this newsletter finds you well.

Charity Events

We have had a wonderful start to our fundraising events this year with the highly successful coffee morning. Next half term, we have three events timetabled:

Children in Need

Sixth Form Fundraising Day

Christmas Market

More details of these events will follow.

Bursary

Bursary applications are now closed. If you think your child will qualify but are yet to apply, please get in touch and we will see what we can do to support. The bursary is available to support families from lower income backgrounds who may need support with their A level journey. If you feel your child might qualify for the bursary, you will need to complete the application form which can be found on the Sixth Form section of the school's website.

Year 13 PPEs

The year 13 PPEs have now finished. Generally, the conduct of year 13 has been good this week, with a few minor issues to address after half term. Teachers are now working on marking the examinations and students will get their results after half term. Following on from this, any interventions that are needed will be put in place.

Coffee Morning

I wanted to take this opportunity to thank anyone who has supported our MacMillian Coffee morning this term. We will share the amount raised after half term break but it is great to see so many people keen to support a wonderful charity.

UCAS Update

We have sent 7 early entry applications, which is excellent. We will now shift our focus to the remaining students with their UCAS. We would advise that they aim to have their application completed by the end of this term so that they can focus on achieving the results required.

Start to the year

Lastly, I want to reference how impressed we have been with Sixth Form and their start to this year. The attendance is at an extremely high level, reward points are being received, and the students are working well. Whilst there will be bumps in the road, if the two year groups continue working in this way, they should have a successful journey through Sixth Form.

Kind regards

David Constable

Sixth Form Lead
