

Sixth Form Newsletter – 26/09/25

Dear Parents and Carers,

We are delighted to share this week's Sixth Form updates with you. It has been a busy and exciting few weeks, and we are incredibly proud of how our students have embraced the start of term.

Year 12 Parents' Information Evening

Thank you to all the parents and carers who attended our Year 12 Information Evening. It was wonderful to see so many of you onsite, and we hope you found the session helpful in putting a framework around the Sixth Form journey. If you have any further questions, please don't hesitate to reach out. A copy of the presentation is attached for your reference.

Macmillan Coffee Morning

A huge thank you to our Sixth Form students and their families for their generous contributions to our Macmillan Coffee Morning. We are proud to share that over £300 was raised for this fantastic cause. What a brilliant start to our fundraising efforts this year!

Year 13 Exams

A reminder that Year 13 exams will take place during the week beginning 6th October. Students will be on study leave for the duration of the week but are welcome to come into school to use the Sixth Form facilities for revision and quiet study.

Sixth Form Open Evening

Our Sixth Form Open Evening will take place on Thursday 9th October. We will be inviting some students to stay and support the event, showcasing the fantastic opportunities available in our Sixth Form. This will be followed by a Year 11 Taster Day on Friday 17th October, during which Sixth Form students will be working from home.

Progression Support

This term is a key time for Year 13 students as they prepare for life beyond school. Whether applying to university, apprenticeships, or employment, students should now be working on their UCAS personal statements, CVs, and other application materials. If your child would benefit from a careers appointment, please encourage them to reach out—we will arrange support as soon as possible.

Year 12 Leadership Roles

Next week, a number of Year 12 leadership roles will be going live. These roles offer valuable experience and are a great way to contribute to the school community. We encourage students to discuss these opportunities with you before applying, as they do come with additional responsibilities.

We continue to be impressed by the energy and commitment of our Sixth Form students. As always, if you have any questions or concerns, please feel free to contact your child's tutor or myself directly.

IT Systems in Sixth Form

Thank you for your continued patience as we work through the final IT issues. Our IT team is working hard to install new computers and improve Wi-Fi connectivity. We will share further updates as soon as we can and appreciate your continued understanding.

Sixth Form Student Parking on Site

We are pleased to offer Sixth Form students the opportunity to drive and park on the school site. To ensure safety and accountability, students must complete a short survey providing essential vehicle information. If approved, a parking permit will be issued and must be clearly displayed on the vehicle dashboard. This information will only be used to help identify vehicles quickly in the event of an emergency. All student drivers must adhere to site driving conditions, including one-way systems and speed restrictions. To apply, please complete the form here: <https://tinyurl.com/TESFParking25>

Kind regards

David Constable
