## Year 10 Work Experience

The vast majority of Year 10 students will be away on work experience next week. For the 30 or so students who will be with us there will be special provision, with period 1-4 lessons being tailored to careers and employment education and a careers presentation in every period 5.

We hope that the students find next week inspiring!

## Eco Rangers

Last week we shared news of our new Eco Rangers curriculum provision. This week cameras have been set up in the new outdoor classroom area to record the wildlife. In an effort to become the next David Attenborough, Mr Johnson has uploaded the footage to our YouTube channel so you can see some of the animals that share our site. The first video can be viewed via [this link](#).

## A Date for your Diary!

This year's Summer Concert is entitled "The Power of Music" – Wednesday 8th July at 6.30pm (in the school hall). Further information will be shared at a later date.

Next week is the final week of the half-term. As it is only leads into a short holiday, school will continue as normal right up to 2.55pm on Friday.

Have a lovely weekend!

Best wishes,

**Nick McSweeney**

Headteacher
