

Sixth Form Newsletter

Year 12 and Year 13 | Friday 9 October 2026

Dear Students, Parents and Carers,

We have a busy fortnight ahead, with a few important dates to be aware of. Please take a look at the key dates below, and then read on for the full details, including some well-deserved thanks to our students.

Key dates

Thursday 15 October	UCAS early entries deadline
Thursday 15 October	Year 13 Parents' Evening
Friday 16 October	Year 12 and 13 study at home (Year 11 Taster Day)
After half term	Year 13 exams, with study leave

Thank you for supporting Open Evening

A big thank you to all the students who gave up their time to support our Open Evening. The evening simply does not work without our students there, and they are the best advert we could possibly have for the Sixth Form. You welcomed visitors, answered questions and showed what our community is really like, and we are very grateful.

Well done: Rise Against Hunger

Congratulations and well done to the students who took part in the Rise Against Hunger charity project. It was hard work, but well worth it, and what you achieved will make a real difference to others. You should be very proud of the effort you put in.

Study at home: Friday 16 October

Next Friday is Year 11 Taster Day, so Year 12 and Year 13 students will be studying at home. Please make sure the day is used well, with a proper working routine and the independent study you would normally be doing in school.

Year 13 Parents' Evening: Thursday 15 October

This is our key Parents' Evening for Year 13, taking place ahead of the rest of the year group. Please make sure you have signed up for your appointments so that you do not miss out.

Year 13 exams after half term

Year 13 exams take place after half term, and study leave will apply. All the information about the exams has already been shared, and timetables will follow next week. Please read everything carefully and get in touch if anything is unclear.

UCAS early entries: deadline Thursday 15 October

A reminder that the deadline for UCAS early entries is next Thursday 15 October. If this applies to you, please make sure your application is complete and submitted in good time rather than leaving it to the last minute.

Expectations around site and community

A few reminders about what we expect from all Sixth Form students.

Litter

We have had a report of students littering near the local shops. When you are out and about, you are representing the school in the local community, so please dispose of litter properly.

Parking

There is no parking on site for students. Please look to park in the local community, and be considerate of our neighbours when you do.

Attendance

Tutor time is compulsory. It is an important part of the day, so please be there and on time.

Reporting absence

All absences must be reported through Studybugs.

Thank you for your continued support. Have a good week.

Best wishes,

Mr Constable
