

Sixth Form Newsletter – End of Half Term

Dear Parents and Carers,

As we reach the end of another busy half term, I would like to take the opportunity to congratulate both our Year 12 and Year 13 students on their hard work, commitment and positive attitude throughout the term.

It has been wonderful to see Year 12 students continuing to settle into Sixth Form life with confidence and enthusiasm. Equally, Year 13 students have shown real maturity and determination as they prepare for the important months ahead. We are incredibly proud of the way both year groups have approached their studies and wider Sixth Form opportunities.

Year 12 Progress Monitoring

Year 12 monitoring reports have now been released to parents and carers.

These reports provide an important snapshot of how students are progressing in their subjects. We encourage families to discuss the reports together and celebrate successes, while also identifying any areas for development.

If you have any questions regarding a particular subject, please contact the relevant subject teacher in the first instance, who will be best placed to provide further information and guidance.

Year 13 Examinations

A reminder that Year 13 examinations will take place after half term.

Students should now have received their examination timetables and should ensure they are familiar with the dates, times and locations of their exams. If there are any questions or concerns regarding examination arrangements, please contact the Sixth Form team as soon as possible.

Year 13 students will be on study leave from this week and will only be required to attend school for their scheduled examinations. We wish all students the very best with their revision and preparation over the break.

Fundraising and Community Engagement

We have been incredibly impressed by the enthusiasm shown by Sixth Form students in supporting charitable causes this term.

Our recent Macmillan Coffee Morning was a huge success, raising over £300 for an extremely worthwhile cause. In addition, many students have been volunteering their time and supporting a range of local charities and community initiatives. Their willingness to give back to the community reflects the values we hope to develop throughout Sixth Form.

Thank you to everyone who has supported these efforts so far.

Upcoming Fundraising Week

Building on this fantastic start, we are looking forward to our upcoming Fundraising Week, beginning on 14 December.

Students are already working hard to plan a range of activities and events, and we are excited to see the whole Sixth Form community come together to support a variety of charitable causes. Further details will be shared after half term.

Looking Ahead: Year 12 Work Experience

We would also like to introduce an important opportunity that Year 12 students will be undertaking later this academic year.

The week beginning 5 July will be our Year 12 Work Experience Week. Work experience is a valuable opportunity for students to develop employability skills, explore potential career pathways and gain experience of professional working environments.

We will be working closely with students during the next half term to support them in securing placements and preparing for the week. Further information and guidance will be provided in due course.

Finally...

Thank you for your continued support throughout the term.

We wish all students and families a restful and enjoyable half term break, and we look forward to welcoming everyone back in a week's time for another successful half term.

Best wishes,

Mr Constable

Head of Sixth Form

The Emmbrook School
