

2nd September 2021

Dear Parent or Carer,

It only seems like yesterday I was writing to you all to introduce myself and here we are entering year 11. 2021 - 2022 is set to be another fantastic year for all of the students and I know I speak for all staff at Emmbrook when I say how excited we are to see them return.

A few key dates I would like to make you aware of are the upcoming meet the tutor event on 15th September; more information on this will be available shortly. This will be a fantastic opportunity to ask any questions you may have and to check in with how your child has settled into year 11.

On October 12th we have a fantastic opportunity for parents and students to work with Elevate Education in a workshop that is designed to help both parties develop and understand some fantastic study skills in order to help prepare the students for the upcoming exam season.

Students have changed tutor rooms this year; an email will be sent to their school email from their tutor highlighting this. We encourage year 11 to be in good communication with their teachers via email as it is a great way for them to request support when needed.

As always, thank you for the support you have given and continue to give, both to the school and me personally. The tutor team in year 11 is outstanding and I am looking forward to seeing what this academic year brings.

If you have any questions or require any support then please do not hesitate to contact me at JTichband@emmbrook.wokingham.sch.uk

Kindest regards,

James Tichband

Year 11 Leader
