

Dear Parent/Guardian,

Each year group is overseeing a charity event this academic year. Previous successful events have been Sixth form fundraising week, and Year 10's reverse advent calendar for Wokingham food bank.

Year 9 have organised the most recent event on Friday 15th of February. We will be running a non-uniform day for our chosen charity, Cancer Research UK. It is estimated 1 in 2 people in the UK will get cancer during their life time. The donations given will help speed up life-saving research, bringing new treatments to patients who need them, faster.

We ask that students donate £1 to wear non uniform.

Students are expected to wear clothes that are suitable for the school environment, therefore PE lessons still require kit and we ask that there are no bare midrifts, nothing revealing or with inappropriate slogans.

We look forward to seeing our students in their fabulous outfits, seeing out the half term in style!

Kind Regards

Mrs Cooper

Year 9 Leader
