

Dear Parents and Carers,

In the past I have written to you at this time with information about our Open Evening events and gaining permission for your children to come and help us as ambassadors to the school. We are sad we cannot showcase our amazing students in that way at the moment.

This year we are running our Open Evening virtually, through a 'Live Teams' event which will allow parents of Y6 pupils to listen to talks from Mr McSweeney, Mrs Hodgson and JD and Olivia (our Head Boy and Head Girl).

I would like to ask for your help in helping to promote the school. Please could you share the information below with any friends or family members you have that will be interested in our Open Evening events running throughout this week.

Thank you in advance for your help and support.

Craig Johnson

Associate Headteacher
