

## The Emmbrook Sixth Form Applications

Dear parents and guardians,

Firstly, I wanted to pass on how outstanding year 11 were on the taster day on Friday 25<sup>th</sup> November. They embraced the opportunity to experience life as a Sixth Form student, attended the correct sessions, and threw themselves into the day. Based on the feedback we have received so far, the day was very well received by the students and helped them with their decision-making process.

Secondly, I wanted to remind you that the application process is open and will remain open until the end of this term. Students need to apply using the Sims Online system, which they have been emailed the details for. If there are any problems with this process, please do contact your child's tutor, myself, Miss Horne or Mrs Panesar, and we will endeavour to assist you as quickly as possible.

Thirdly, we wanted to remind you that this year group will be moving into our new Sixth Form block by September 2024 at the latest. This will be an exciting time for the students as they will be able to undertake their year 13, and hopefully a portion of year 12, in a state of the art Sixth Form block.

We look forward to receiving your child's application and then working with them from September next year.

If you have any questions about the Sixth Form, please do ask.

I will be in touch shortly with more details around the rest of the application process.

Kind regards

David Constable

Sixth Form Lead

The Emmbrook School
