

To the parents, carers, staff, governors and students of The Emmbrook School

A fantastic £5,570 was raised during the academic year 2018/19. This was only possible through the hard work and dedication of the members of the PTA and those parents, staff and students who have supported our fundraising activities in the last 12 months.

A big thank you for those of you who gave up their time in helping us at the car boot sale, the winter carnival and the Wokingham Half Marathon (during the unprecedented heatwave in February!) your help was much appreciated.

All parents and staff can help us without giving any of their time, for example:

- Donating old clothes
- Joining the PTA lottery (and being with in a chance of winning some money)
- Donating via easy fundraising every time you order online.
- Supporting the PTA via the gift aid scheme
- Collecting your green redeem points and donating them next time our school is on this list.
- Bringing chocolate into school for the tombola at the winter carnival.

Without all the help we get, whether big or small, we would not be able to buy the vital equipment that is needed for our children's education. We have been able to pay out £4,421 in bids. These include specialist lighting for media; equipment for science (thermometers and microscope slides); improvements to the school site; equipment for the fitness room; tablets for geography and learning packages for Maths and Computing to name but a few.

All help is very much appreciated, and we would love to see more parents at our meetings. If you would like more information, please look at the PTA page on the school website or contact us on the The Emmbrook School PTA Facebook page.

Thank you to you all and I hope that 2019/20 will be even better than last year.

Susan Keogh
Chair
