To decide if you would like to proceed with a review of marking									

The awarding bodies offer the following Enquiry about Results services.

Service 1 (Clerical re-check). This is a re-check of all clerical procedures leading to the issue of a result. Candidate consent is required.

Service 2 (Post-results review of marking) –

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of a modular, unitised or linear specification. Candidate consent is required

Priority Service 2 (Post-results review of marking). This service is as Service 2, but is only available if the following criteria are met:

- the enquiry is about an examination for a Level 3 qualification;
- a candidate's place in further/higher education is dependent upon the outcome.

Any applications not meeting these criteria will be treated as normal Service 2 requests. Candidate consent is required.
